Support Meals2Moms

Conscious Moms invites businesses, community leaders, healthcare advocates, and families to partner with Meals2Moms—a holiday initiative that brings nourishing meals and meaningful care to mothers and families in need.

Why Sponsor Meals2Moms

The holiday season can bring added financial pressure and emotional strain for families navigating pregnancy, postpartum, and maternal mental health challenges.

Sponsors help provide nutritious meals, cooking supplies, wellness resources, and holiday touches that offer practical relief when it matters most.

Your Impact

Meals2Moms goes beyond a single holiday meal. Each family receives an affordable recipe and family mealtime activity they can recreate, helping turn one act of generosity into ongoing nourishment and connection.

WWW.CONSCIOUSMOMSLA.ORG

Conscious Moms is a 501(c)(3) nonprofit organization in Baton Rouge, Louisiana, dedicated to maternal mental health care for mothers facing financial and systemic barriers to accessing quality, culturally responsive support during pregnancy and postpartum.

Conscious Moms fosters community connection, education, and direct care access for mothers navigating mental health challenges. We ensure every mother has the opportunity and resources to prioritize her mental health through therapy access, community partnerships, and advocacy initiatives. By breaking down stigma and expanding care networks, we strengthen the well-being of mothers and their children across Louisiana.
